Department of Mathematics, Statistics and Computer Science  
St. Olaf College, Northfield, MN 55057

25 September 2009  
Volume 38, No 2

## Today's Colloquia

Title: **Euler in Two Acts**  
Presenter: William Dunham,  
Muhlenberg College  
Date: Friday, Sept 25<sup>th</sup>  
Time: 3:15 pm  
Location: RNS 210

Title: **Newton and Leibniz:  
Mathematicians at War**  
Presenter: William Dunham,  
Muhlenberg College  
Date: Friday, Sept 25<sup>th</sup>  
Time: 7:00 pm  
Location: RNS 150

## Dedication of Regents Hall of Mathematical Sciences

Date: Saturday, Sept 26<sup>th</sup>  
Time: 11:15 am  
Location: Regents Hall of Mathematical  
Sciences

With the renovation of the Old Music Building to house the mathematical sciences, Regents Hall of Natural and Mathematical Sciences is now complete. Come for the dedication and enjoy the glorious view from a storied campus building.

## Problem Solving Kickoff Meeting (now with pizza!)

The Problem Solving group will kick off the year in style Thursday Oct. 1 from 6:30-7:30 PM in RNS 204. Don't eat too much at dinner beforehand, as pizza will be provided. If you are interested in solving interesting math problems or just seeing what it's all about, please stop by!

The group is open to anyone who is interested, regardless of courses taken. At our initial meeting, we will discuss the possible formats of the problem solving sessions along with the three main competitions we participate in each year. If you have any questions, please contact Prof. Berliner ([berliner@stolaf.edu](mailto:berliner@stolaf.edu)) or Prof. Weimerskirch ([weimer@stolaf.edu](mailto:weimer@stolaf.edu)).

## GRE Subject Test Review

If you are planning to take the GRE subject test in mathematics this fall (November 7), now is a good time to start reviewing. A lot of the test is calculus you might have forgotten by now. Professor Woo will be holding evening review sessions on a convenient evening.

If you are interested, please send him an e-mail ([woo@stolaf.edu](mailto:woo@stolaf.edu)) with a list of possible and desirable evenings by next Friday (October 2).

Editor-in-Chief:	Vladimir Sotirov
Faculty Advisor:	Katie Ziegler-Graham
Mess Czar:	Donna Brakke

*If you would like to submit an article or math event to be published in the Math Mess, e-mail [sotirov@stolaf.edu](mailto:sotirov@stolaf.edu).*
